WHAT IS THE RESIDENT ONLINE TRAINING CENTER (ROTC)?

Finally, a fully interactive virtual platform designed to deliver a wide range of webinars, courses, job fairs and resources critical to facilitating self sufficiency and economic growth.

FREE LIVE CONFERENCES AND EVENTS

The ROTC is a complete game-changer!

Leveraging the power of technology and information not only levels the playing field for residents—but increases engagement and program participation and promotes transparent and accountability.

The screenshot shows a website banner for the 'Cranes in the Sky' National Residents Town Hall Virtual Conference. The banner is set against a background image of a modern building interior with people. At the top left is the ROTC logo (CAN & LIVE R.O.T.C. RESIDENT ONLINE TRAINING CENTER). At the top right are navigation links: Home, FAQs, Register, Login, and Contact Us. The main text on the banner reads 'Cranes in the Sky' in a large, stylized font, followed by 'NATIONAL RESIDENTS TOWN HALL VIRTUAL CONFERENCE'. Below this, there are three icons: a calendar icon with the date 'September 19, 2019', a play button icon, and a clock icon with the time '9:00 AM to 9:00 PM'. At the bottom of the banner are four buttons: 'REGISTER NOW', 'VIEW ON-DEMAND TRAININGS', 'VIEW UPCOMING CONFERENCES', and 'SUBSCRIBE TO THE ROTC'. The bottom right corner of the image features the CAN & LIVE logo with the tagline 'BRIDGING OPPORTUNITY HOME'.

CUSTOMIZED TRAINING FOR TARGETED RESIDENT AUDIENCES

The ROTC's training is centered around producing self-sufficiency outcomes and assisting resident services staff with improved FSS composite scores.

As funding becomes more competitive—outcomes will be the determining factor.
